Summer 2018

PREZ SEZ by Kathy Lang

As I ponder this writing, I can't believe that it's time for our "Little Museum with the Big History" to open for another season. Much has been done in the off-season to get us ready, but there is always much to do.

We continue to make history every day as is evidenced by all the changes to businesses in Cable this spring. We try to document these and the many other changes around Cable in the hope that it will be of interest now and in the future. So truly our task is never done!

This newsletter is being sent by regular mail because it includes a ballot for the election of board members. These need to be returned no later than August 6. However, we are proud to announce that we are ready to send newsletters and event announcements electronically! But we need your help to do this. **Please read the "Digital Age" article** and utilize the information in there to let us know your preferences for receiving our newsletter and announcements.

Elsewhere in this newsletter, you will read about a couple of our summer fund-raisers. Not only do we enjoy bringing history to the public, but these events are very important to our bottom line and we hope you will be able to attend and support our efforts. We have an all volunteer staff and they work very hard to keep the museum open. If interested, there is always room for more volunteers. Just ask and we will be glad to tell you how you can help

We welcome any suggestions or critiques. We hope you will take time to visit our museum this summer and let us know what you think. You can also visit us on Facebook and at our website **cablehistorymuseum.com**.

EXHIBIT NEWS

We are happy to report that our Military Exhibit is up and running but realize it will be an ongoing process as we continue to receive photos and military service information. A section of this exhibit is devoted to our local men and women who served in WW II. So come and see this new addition to our museum. If you are a Cable or Namakagon resident or know of a resident who has served, we would love to have a photo, dates of service and places served. We'll be happy to make copies of photos and return the originals. There is always more to see and enjoy, so come visit and take a trip down Cable/Namakagon history lane!

MEMBERSHIP NEWS

We want to say a big thank you to all our members for your continued support. As indicated in our previous newsletters, our yearly memberships run from July 1 through June 30. If there is a “**time to renew**” label on the address page of this newsletter, it is your time to renew and we surely hope you do! For those not up for renewal, we certainly welcome any donations.☺ We are an all volunteer organization and depend on your support through memberships and donations.

ANNUAL MEETING

Our Annual Meeting will be held on Saturday, August 18 at the Museum. We begin with coffee and sweets at 9:30AM. The meeting begins at 10:00AM and typically lasts about an hour. We encourage all our members to attend as it is a chance to learn firsthand about our activities and offer suggestions. **If you are unable to come please use the enclosed post card to register your approval for the 2017 minutes , and for the election of directors by checking the appropriate boxes.**

You can view the minutes at our website at: www.cablehistorymuseum.com/memberships-newsletters. Please note we are adding an additional Board Member. Provide the requested information and sign and date so your vote will count. **Mail it no later than August 4, 2018**

IMPORTANT---- PLEASE READ **THE DIGITAL AGE.....WE'RE THERE!!!!**

Although you are receiving this current newsletter by regular mail, we want you to know that we are ready to send our newsletter and other event information electronically. In order to do this we are asking for your help in the following way.

- **For those who have previously shared their e-mail address with us,** we will be contacting you soon by e-mail from our website e-mail at: info@cablehistorymuseum.com to make sure that we have your current address and that you are comfortable receiving newsletters by e-mail. **Please respond to this e-mail with “OK” and your name.**
- **For those people that have not given us their e-mail address,** you will notice that your name on this newsletter’s address label is in red print. **Please consider sharing your e-mail by sending a note to our website e-mail at: info@cablehistorymuseum.com, or let us know that we should continue to send you our newsletters by regular mail.** You can contact us by regular mail or at our website e-mail listed above.

Sending out our information electronically will be a huge cost saving for us and will allow us to easily send notifications about special events. As noted in the previous newsletter, **WE WILL NOT SHARE ANY E-MAILS** and will send things out using the blind carbon copy method (bcc). Thank you so much for your patience and cooperation as we endeavor to enter the digital age.
